2	From the President, D.B.D, Kadaikkanal No. L.R. 744/25-26 of 27.10.26. States that Mr. A.C.W. Deane of Santhanoor has offered to make necessary improvements to the present building where the M.D. dispensary of Santhanoor is located to make it fit for a dispensary, if the distinction is to be made permanent and requests sanction to the resolution of the D.B. for the permanent location of the dispensary at the place. Encl. This is one of the dispensaries opened under the M.D. scheme. In Govt. Ms No 3206-87 med 40-15-38 of 22.11. sanctioning this dispensary, it is stated that it is to be on a temporary footing, the whole cost being met out of M.D. funds. The M.D. scheme is also a temporary one and unless the local bodies come forward with their contribution to make the dispensary into a Local fund dispensary, it does not appear to be possible to make it a permanent one. The Senior Surgeon may also be consulted in the matter. A draft is put up for consideration & orders. JCM. 10/11/26 2) Under the dispensary is Cowley

I have the honour to forward herewith a copy of letter dated 14th July 1926 from Mr. A.C.W. I, therefore, request that sanction of Government may kindly be accorded to the recommendation of the District Board for the permanent location of the Dispensary at Santhaveri as it is serving a great number of European and Indian Coffee Estates besides a large number of small villages situated thereabouts.

From

Dr. B. Mahomed Usmon, L.M.S.,
Senior Surgeon in Mysore, Bangalore.

The General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

With reference to your letter No.G.5634/San.20-26-5, dated 27th November 1926, calling for my opinion on the question of the permanent retention of the Malnad Improvement Dispensary at Santaveri, I have the honour to state that, I had a talk with Mr. Donne when Shanbhag was there and he is willing to execute all the necessary improvements to the buildings used for Dispensary and quarters to the staff at Santaveri provided that an assurance is held out that the institution will not be shifted from Santaveri, but will be permanently retained at that place.

I am quite agreeable to the proposal, since Santaveri is an important station on the Tarikere-Chickmgalur road ~~xxxxxx~~ with a number of Coffee estates nearby and a dispensary there will be central, to meet the convenience of the villages round about.

I may, however, bring to notice the fact that an order sanctioning the permanent retention of the dispensary at Santaver also involves the responsibility of a permanent extra expenditure of Rs. 2987 per annum on medicines, establishment and other charges, which are now met from the Malnad Improvements Grants, which are expected to be made only as long as the Malnad Improvement Scheme lasts.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.

from the Asst Surgeon on the matter and stating that the permanent location of the dispensary would involve the responsibility of a permanent extra expenditure to Govt on account of medicines, establishment & other charges, which are now met from M.I. funds, ~~and~~ which will be made only as long as the M.I.
